(iii) In all Navyug Schools, as in the past, residents of only NDMC area will be eligible to apply except for the wards of NDMC/NSES employees residing outside NDMC area for whom this condition will not apply. Further, the child and the parents should be residing in NDMC area for at least one year prior to the date of beginning of the admission process i.e. for the academic year 2023-2024 they should have been staying in NDMC area for at least one year before 13.04.2023.

(iv) Any valid Govt. document with photo ID such as Voter ID card or Aadhar card, in the name of parents (legal guardian in case neither of the parents is alive) of child will be accepted as residence proof. In addition to it, to certify the residency of past one year in NDMC area, Bank Passbook of any Nationalized bank having regular valid transactions during last one year/Electricity bills/water bills/Gas bills (at least one in each quarter of the last financial year. For the first quarter (April-June), bill of the month April and for the last quarter (Jan-March), bill of the month March in the name of parents will required to be submitted.

(v) The competent authority of NDMC/NSES has the right to cancel the admission and take suitable action in case it is proved at any stage/time that the documents submitted were fake.

(vi) Duration clause of residing in NDMC area for the last one year (Ref. point (iii) above) will be relaxed if the parent has taken possession of Govt. accommodation in NDMC area in his/her name within last one year and he submits documentary proof thereof in the form of recent electricity/water bill of such govt. accommodation.

(viii) Selection of the children for admission will be on the basis of list prepared by "Point system" and if further required on the basis of "Draw of Lots".

(ix) The ideal strength of each section at entry level class (K.G./Class-I as the case may be) will be 35 students from the academic year 2023-24 onwards. All 35 seats per section at entry level (KG/Class-I) shall be filled strictly as per point system/draw of lots after applying reservation quota for SC/ST candidates.

(x) Further, 30% of these seats will be kept for Category "A" applicants and remaining 70% of the seats will be for Category "B" applicants. Annual Income limit of Rs. 2 lakhs will be taken as criteria for defining Category "A". Thus, if the annual income of both

parents/legal guardian (as the case may be) from all sources is less than or equal to Rs 2 lakhs in previous financial year, then the child will be said to belong to category "A", otherwise the child will be considered in Category "B". Parents have to clearly indicate the Category (A or B) in the application form.

(xi) Within Category "A" and "B", reservation of seats for sub-categories i.e. SC/ST shall be made as per the past practice followed in Navyug Schools. Accordingly, the number of seats available in each sub-category (i.e. General/SC/ST) within Category "A" as well as "B" shall be determined separately in each school by using the same criteria.

(xii) Such Category "A" students who fail to get admission through points earned or draw of lots from amongst Category A applicants, they will also be considered in Category "B" draw. Further, after point based selection and draw of lots of applicants of (Category 'A'), the remaining Category A applicants will be eligible to be considered along with in draw of lots meant for Category 'B' applicants.

**(xiii) Point Based System:**

After considering the basic eligibility, on the basis of NDMC area residency and age appropriateness, sub-category-wise (UR/SC/ST) provisional merit list [within each of the Category(A/B)] shall be prepared separately on the basis of points earned by the applicant as per the following point system:-

| S. No. | Criteria for open seats   | Points allotted   |

| 2.     | If the child has sibling (real brother/sister) in the same branch of the school?  | 20 Points   |
| 3.     | If the parent of the child is a regular Govt./NSES/NDMC employee?   | <b>Maximum Points:20</b><br>If the parent is a regular NDMC/ NSES Employee ..... 20 points.<br>If the parent is a regular Govt. employee other than NDMC/NSES.... 15 points |

| S. No. | Criteria for open seats   | Points allotted   |
|--------|---|-------------------|
| 4.     | If the child is a Girl child/ First born child                                | 10 Points         |

(xiv) Category-wise provisional score-list shall indicate the number of seats available in each sub-category i.e. UR/SC/ST as per Govt. of India Guidelines - within "A" and "B" Categories. It shall also indicate shortlisted applicants of each sub-category within "A" and "B" category on the basis of scores earned as per the above point system. Thus, separate score lists will be prepared for each sub-category within each category. Such provisional lists shall be displayed on the school notice board and website.

(xv) 2 days' time shall be given to parents for resolving the grievances, if any, on the displayed provisional score list. For this, the parents will require to visit the respective schools along with application and all supporting documents. After correction(s), if any, the final list of shortlisted eligible candidates shall be displayed for selection as per merit list prepared on the basis of point system and if required, subsequently through draw of lots. It will be the responsibility of the parent(s) to check the provisional list, to get the rectification done in time, if so required and verify the corrected list. Although school shall work meticulously for preparing the provisional lists however, school shall not be responsible if the parent does not take any initiative for corrections, if any required, within the stipulated time period.

(xvi) If the number of eligible applicants short-listed on the basis of stipulated point system is more than the number of seats available in the respective sub-category (UR/SC/ST) of the category( A/B) or there is a tie of points of applicants vying for lesser number of vacancies available, then draw of lots (Sub Category-wise) will be conducted through slips/tokens in a transparent manner in presence of parents in each Category(A/B) separately.

(xvii) All the parents of applicants eligible for draw of lots shall be informed at least two days before the date of draw of lots through website, notice board, email and SMS message by the school. The school will keep record of all such communications made. Communication through telephone/mobile may be made in addition to above said measures. The draw of lots shall be conducted under videography and its footage to be maintained/retained by the school for 1 year from the date of videography.

(xviii) It will be the responsibility of the parent(s) to attend the draw of lots process in person. School will not be responsible for showing the video to the parent(s), in case, they fail to attend the draw of lots in person on the scheduled date/time or other-wise. In

justified cases, the videography may be shown by charging a fee of Rs.1000/ per child from parents for each time, if approved by competent authority i.e. Director (Education/NSES) in this case.

**(xvix)** The slips/tokens shall be shown to parents before putting them in the box, being used for draw of lots.

**(xx)** Draw of lots shall be done separately for each sub-category (UR/SC/ST) within category "A" and category "B".

**(xxi)** First list of selected candidates by merit/scores on the basis of Point system/draw of lots (as applicable) shall be prepared in accordance with the number of seats available in each sub-category (UR/SC/ST) within Category "A" and "B" separately.

**(xxii)** First list of selected candidates for each sub-category within the category "A" and "B" of seats shall be displayed on the school notice board/website of respective schools indicating the last date (and time) for submission of documents and amount payable.

**(xxiii)** Category-wise Waiting list of candidates in the ratio of 1:5 for each sub-category separately shall also be prepared as per the merit drawn on the basis of Point system on the same day and details of waitlisted candidates shall also be displayed on the respective school website and School Notice Board. Candidates/parents will also be communicated through email and SMS. Communication through telephone/mobile may be done in addition to the above said measures. The same will be followed in case of candidates selected on the basis of draw of lots, if so required *when the number of candidates is more than the number of seats available*.

**(xxiv)** Parents are required to submit the amount payable and relevant documents within 3 days of display of list of selected candidates, else the selection shall stand forfeited, and the seat shall be transferred to next candidate in Waiting list in the same sub-category (UR/SC/ST) of the Category (A/B). Therefore, parents are advised to complete all documents in advance.

**(xxv)** In case any seat remains/falls vacant then the waitlisted candidates shall be called in the order of merit in the waiting list same sub-category (UR/SC/ST) of the Category (A/B). In case any 2nd or subsequent waiting list is required to be prepared, the same will also be displayed on school notice board, website. Parents/students will be communicated through website, email, school notice board, SMS or any medium for which documentary proof of communication will be kept in school record.

**(xxvi)** In case of a seat of SC/ST sub category remains vacant even after exhaustion of all waiting lists and no eligible candidate of that sub-category (SC/ST) is available for consideration, the vacant seat will be filled up by UR category candidate in the waiting list of that Category (i.e. Category 'A' and Category 'B').

(xxvii) No school or person shall, while admitting a child collect any capitation fee/donation from the parents. Strict action will be taken against the erring official if such an incident comes to notice.

(xxviii) **Age limit:-** For entry level admission in Pre-primary (KG) / Class -I, the age shall be minimum four(4) years for admission in KG (*child must be born between 01.04.2018 to 31.03.2019*) and minimum five(5) years for admission Class-I (*child must be born between 01.04.2017 to 31.03.2018*). As per DOE Circular no. F. DR.15(172) PSB/2016.9483-9492 dated 21/11/22, the crucial date for determining the age will be 31<sup>st</sup> March of the calendar year in which admission is being sought, i.e. for the academic year 2023-2024, the age limit will be calculated as on 31.03.2023.

(xxix) Each school will have a duly constituted 5 members "Admission Monitoring Committee" consisting of school teachers/employees, as decided by the HoS, and among them will be at least one SC/ST teacher/employee in the Committee. The Committee shall undertake the admission process under the aegis of the Hos and will ensure full transparency and fairness in the admission process.

(xxx) An amount of Rs. 1200/-per annum (@Rs. 100/- per month) from all students (KG to Class-XII) will be charged as school development fee from the academic session 2023-24 onwards.

Thus, the caution money shall be forfeited if the student is involved in damaging the school property. The parents will be asked to deposit additional amount in case the damage to school property amounts more than Rs. 1,000/-. Further once the student leaves the school, the school will refund the amount to the student/parent's bank account already available with the school, without waiting for submission of claim of refund by the parents.
